ENDUTEX UK

Technical Data Sheet
FT350

Product Description

FT350 is a 350gsm easy apply, removable self-adhesive fabric wall covering that can be fitted to many surfaces and repositioned while retaining its adhesion without leaving a residue. FT350 has a textured surface, with an excellent white point, is quick drying, water resistant and 'Kiss Cuts' cleanly. Its high opacity prevents the translucency problems associated with comparable products. Ideal for temporary wall covering applications for event, retail and exhibition environments. It is suitable for Eco-Solvent, UV and Latex printing. Available in 1.37 and 1.52 metre rolls.

Material Details

CHARACTERISTICS	METRIC	TEST METHOD
Support Cloth	Polyester	DIN 60001
