

**More  
Environmentally  
Sustainable**

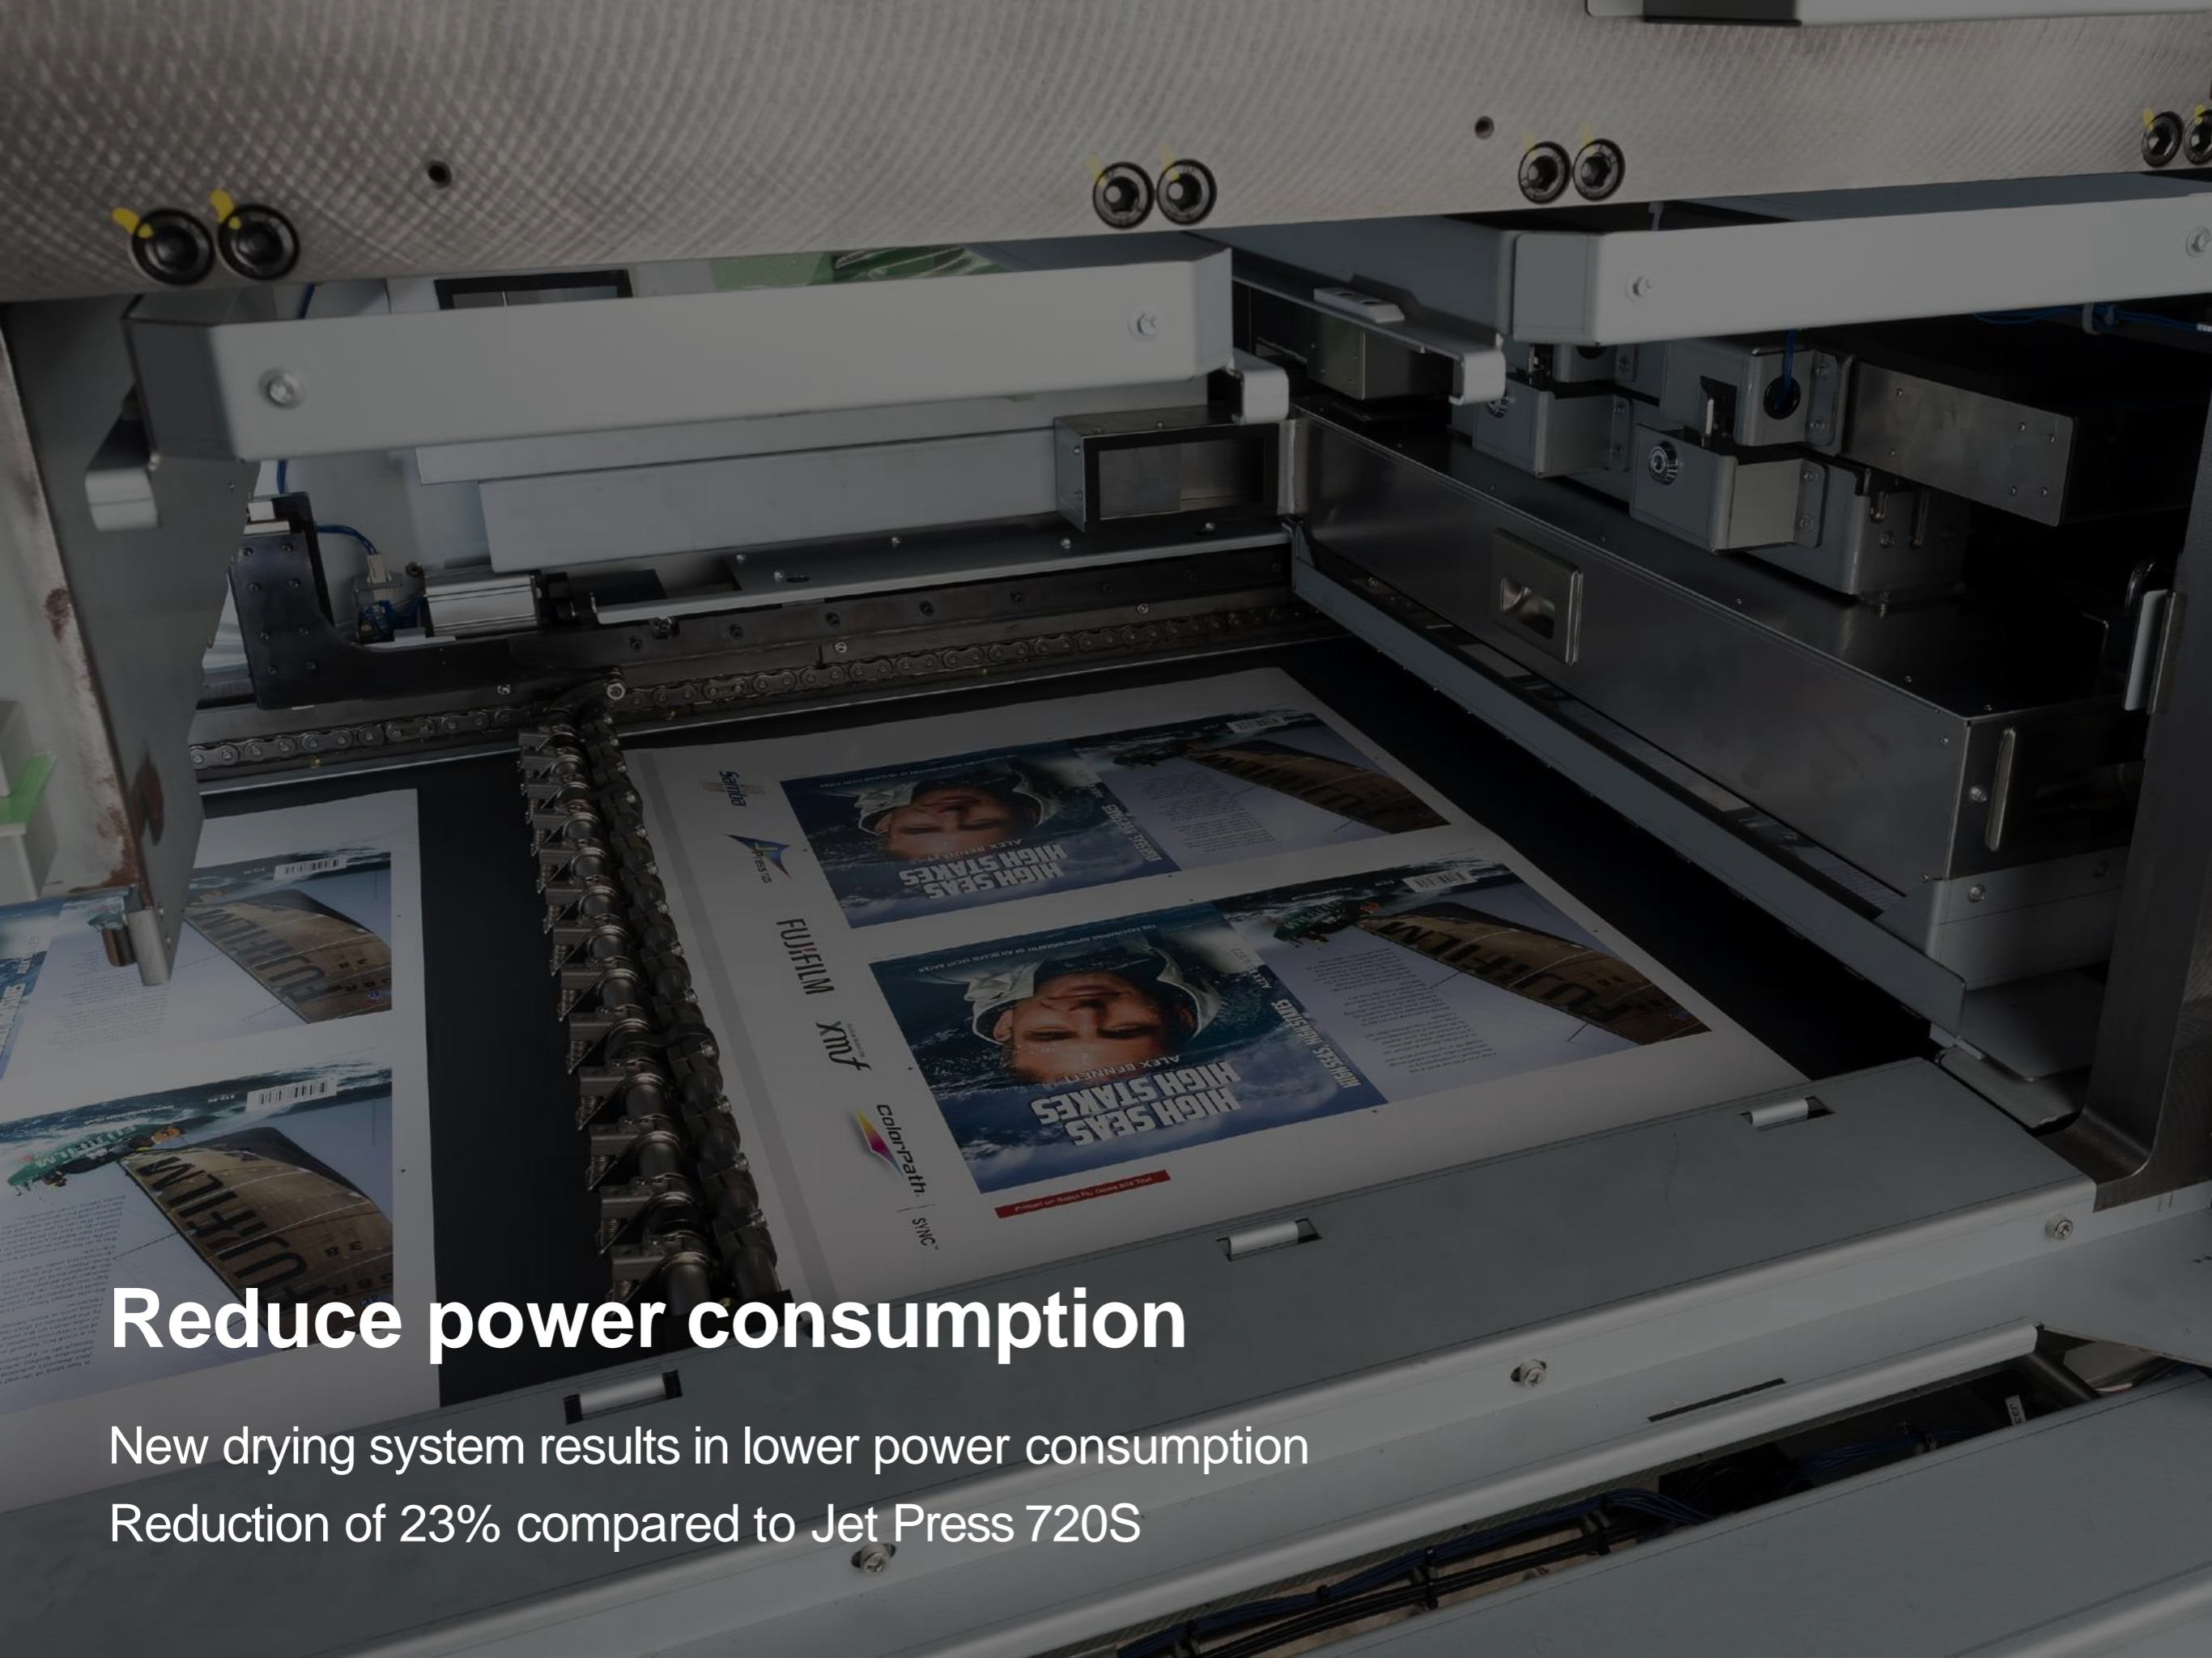

# Lower carbon footprint than an equivalent traditional B2 sheet-fed press

Fewer products, less waste

# No plate production

Eliminates all elements involved in plate production:  
Plates, platesetters, processors and associated chemistry, water and waste

## Reduce power consumption

New drying system results in lower power consumption

Reduction of 23% compared to Jet Press 720S

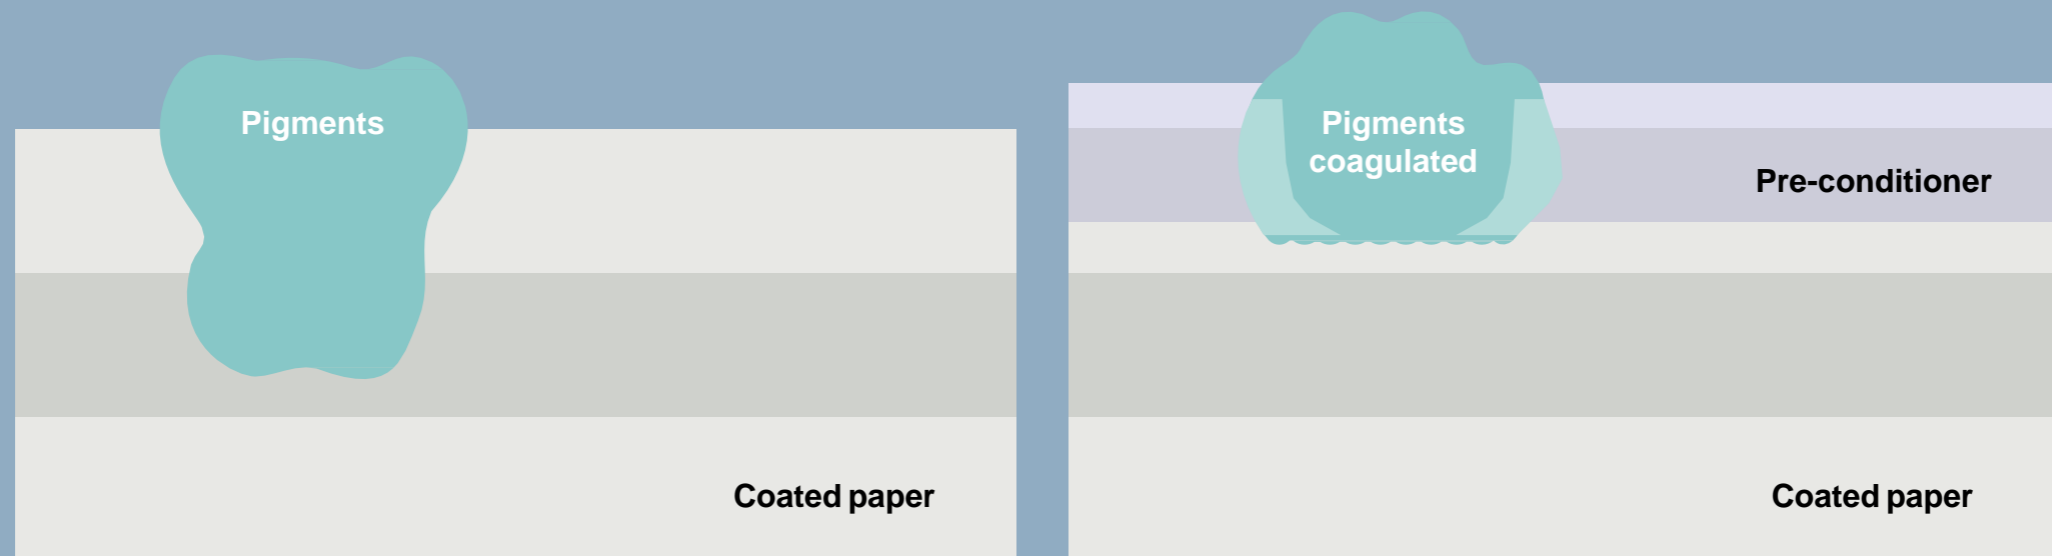

# Reduce raw materials and paper waste

Eliminate make readies

Reduce overruns

# Sheets can be easily recycled

**Normal water based inks**

**Fujifilm Jet Press technology**

The Rapid Coagulation Primer prevents ink from sinking into the structure of the paper, making it easier to recycle

# Sheets can be easily recycled

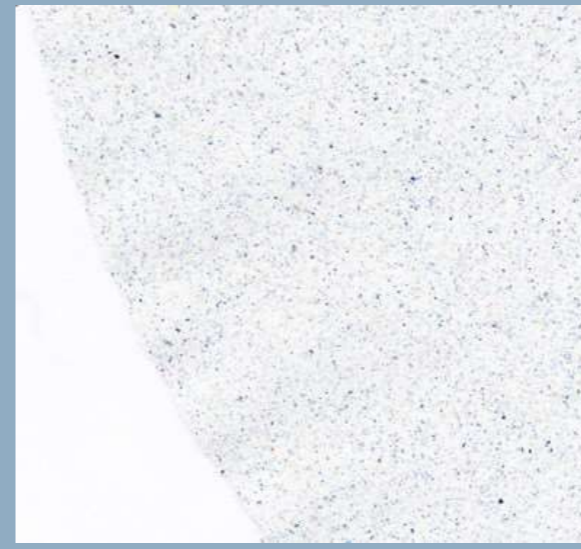

Magnified results of deinked paper for recycling

Jet Press 720S

Digital print by liquid toner

Offset UV ink

Water based inkjet ink

Tested by the International Association of the Deinking Industry (INGEDE)

Jet Press 750S levels of deinking on a par with offset inks, with 85 out of 100 points

# Recognised by Government bodies

The screenshot shows the website of the Rijksdienst voor Ondernemend Nederland (RVO.nl). The page is titled 'Printer system for de-inkable water-based inks' and is part of the 'Environmental and energy list'. The page includes a navigation menu with options like 'Home', 'Topical', 'subjects', 'Subsidies & Financing', 'Digital submission', and 'About us'. The main content area is divided into three columns: a search sidebar, a central text area, and a right-hand sidebar. The central text area contains the title 'Printer system for de-inkable water-based ink', publication information, and detailed conditions for eligibility. The right-hand sidebar provides the business asset code 'B 1281 2018', a link to 'MIA \ Vamil application', and a list of explanation letters A to G with their corresponding MIA and Vamil percentages. A 'More information' section at the bottom right states that this business asset may be eligible for tax benefit, MIA \ Vamil, and provides a link to 'I want to know more.'
