

# Technical Data Sheet

## Display Pro Eclipse

### Product Description

Display Pro Eclipse is a 260gsm knitted blackout textile with a soft finish that is crease resistant and allows for a slight stretch when installing into SEG frame systems. It is 100% PVC free and recyclable, can be easily wrapped and stapled around timber framework to create exhibition stand walls. It is suitable for UV, Latex and Dye Sublimation printing. Available up to 5 metres wide.
