

For use in:

- Marquees
- Temporary Structures
- Textile Architecture
- Banners & Soft Signage

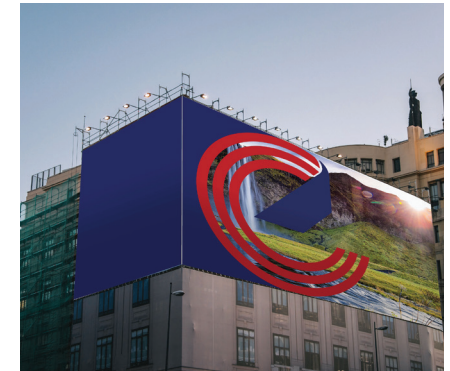

See reverse for details of Keder standard stock qualities

Fabrication & Finishing

- CNC Cutting of Fabric Panels
- High Frequency Welding
- Sewing
- Eyeletting

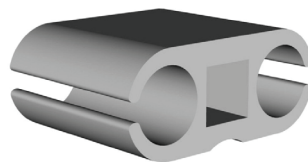

Keder Dispenser

- Painted steel frame
- Casters for easy manoeuvring
- Less wastage
- No twisting

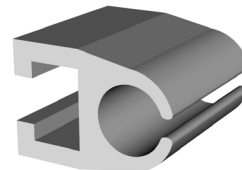

Keder Extrusion

We supply mill finish aluminium keder rails which can be fitted to your structures. We also supply structure extrusions which can be used as structural members.

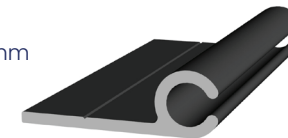

Twin Keder Rail
(Shotgun) 55 x 23mm

Keder Size : 10 to 12mm
Length : 5.0m

Single Keder Rail
(Single Shotgun) 40 x 28mm

Keder Size : 10 to 12mm
Length : 5.0m

Awning Keder Rail
(P Track) 52 x 17mm

Keder Size : 7 to 8mm
Length : 5.0m
